Filter isn't working

Tried to sort prices from lowest to highest
but it doesn't work.

When we sort price form lowest to highest
we didn't get expected result. It
functionality doesn't work.

Click on relevance and pick "Sort by :
Lowest Price"

Expected result: User is successfully sign
and navigated to desired section click on
item he wanted and it's sort by lowest
price.

User didn't get any sort by.

Medium priority and low severity.

100.00%
